**Repeal of the Boil Water Advisory
To Customers of Valley Public Service Authority
September 17, 2022**

Valley Public Service Authority advises its customers residing in the following areas, which were included in the Boil Water Advisory issued on September 16, 2022, that they no longer need to boil their water prior to drinking or cooking.

Marie Drive

Golf Course Road

Following an intense flushing of the distribution system, water samples for bacteriological testing were collected and analyzed by Breezy Hill Laboratories. The results of the sampling indicate that the water is safe to use for drinking and cooking purposes.

If you should have any questions concerning this repeal of the Boil Water Advisory, you can contact Valley Public Service Authority at (803) 593-2053.
